

## **„The BRIDGE- Connecting Mobility and Disability”**

The Projects Telegram, edition 1  
10<sup>th</sup> of April 2005

Dear Network,

Below you can find information about:

1. The Project Presentation
2. The Opening Conference in Wroclaw
3. The Agora Enschede Workshop
4. The 2<sup>nd</sup> Conference in Delft

1. The BRIDGE- Connecting Mobility and Disability - A Project dealing with the mobility problem of disabled youth. The project's main aim is to enable disabled youth to actively participate in creating and developing civil society by joining events and other activities, which will be prepared with proper conditions to travel and experience things that weren't available for them before.

2. On Thursday, 14<sup>th</sup> of April 2005, in Wroclaw the first and opening conference “The Disabled and The Facilitator- a Complex Relationship” will take place and the whole Project will finally kick off. 20 participants will start the discussions about different disabilities and will then talk about the relationship between the disabled person and the facilitator. Of course participants will have the opportunity to see the beautiful city of Wroclaw and meet AEGEE Wroclaw members.

3. The BRIDGE: Connecting Mobility and Disability together with AEGEE Delft will be having a Workshop at the AGORA in Enschede. The workshop will deal with the topic of mental and architectural barriers. We will discuss the obstacles to the disabled person's mobility related to technical and psychological aspects. Join Charlene and Christine for this Workshop to learn more and to give your contribution.

4. The second conference “Design & Disability” will take place in Delft, from the 27-29<sup>th</sup> of May 2005. AEGEE Delft is organizing this conference dealing with design and disability. Design is not only about architectural and technical barriers but also includes psychological and social aspects. AEGEE Delft is waiting for you. Applications are open!
